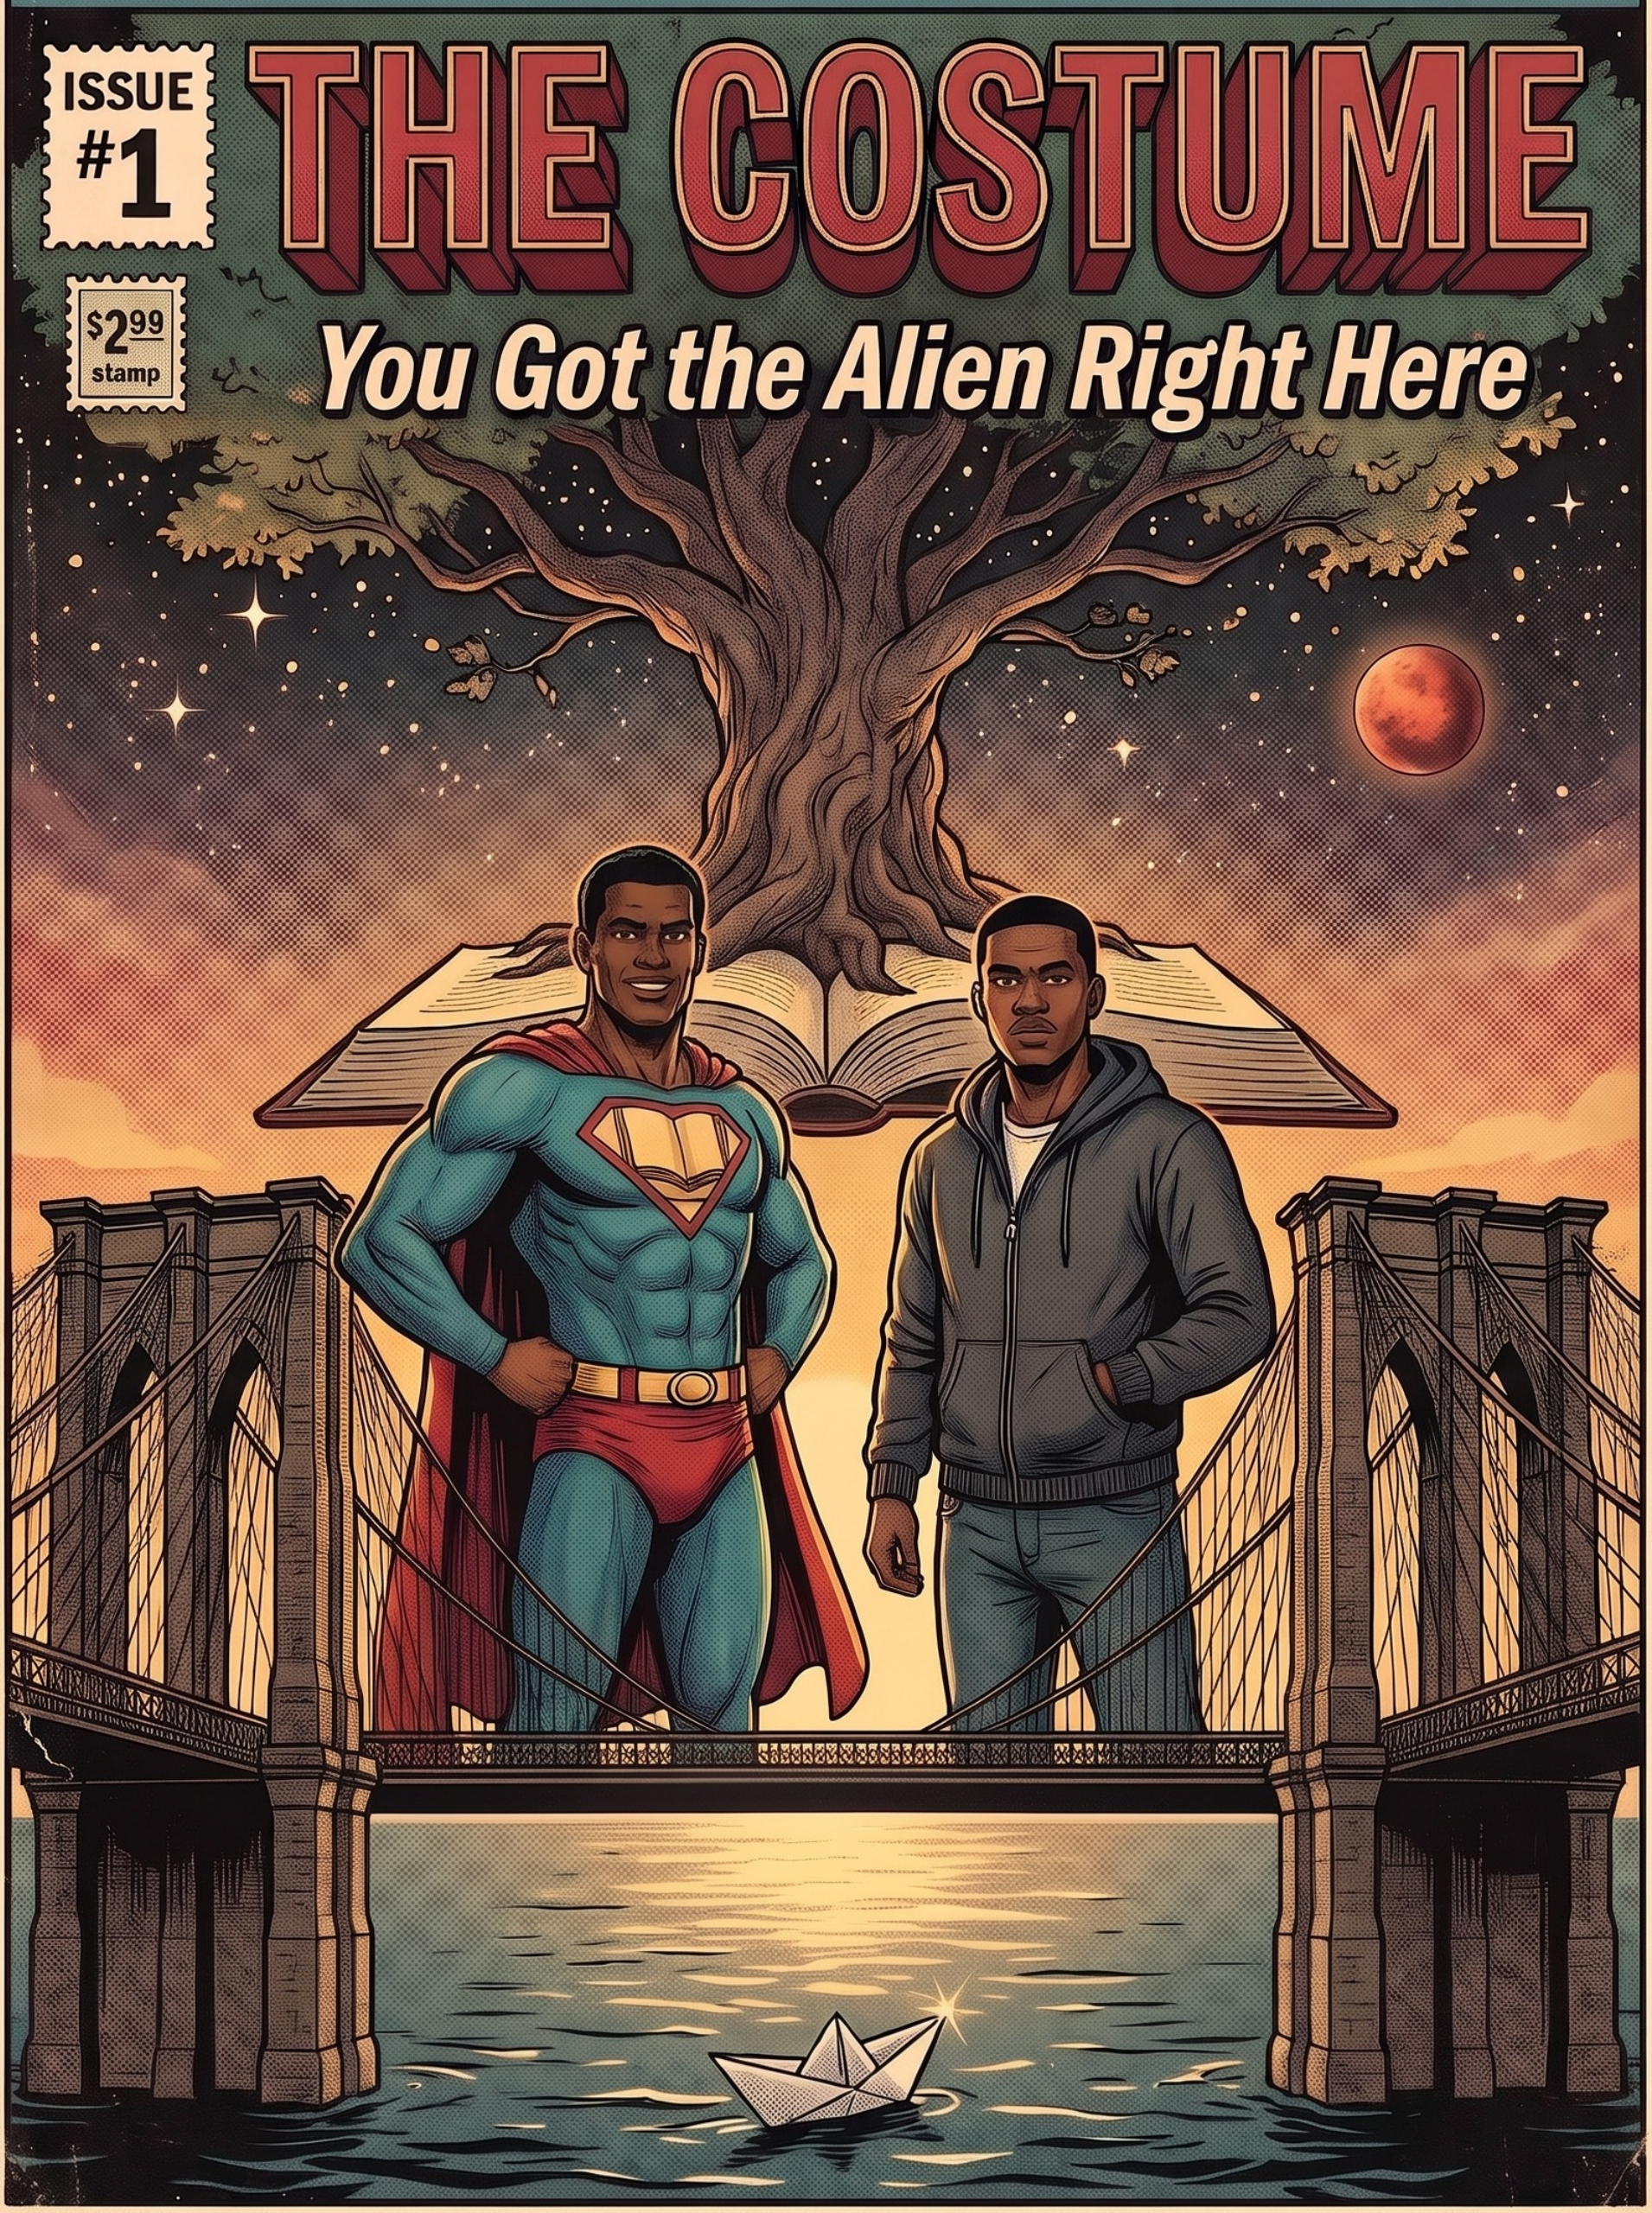
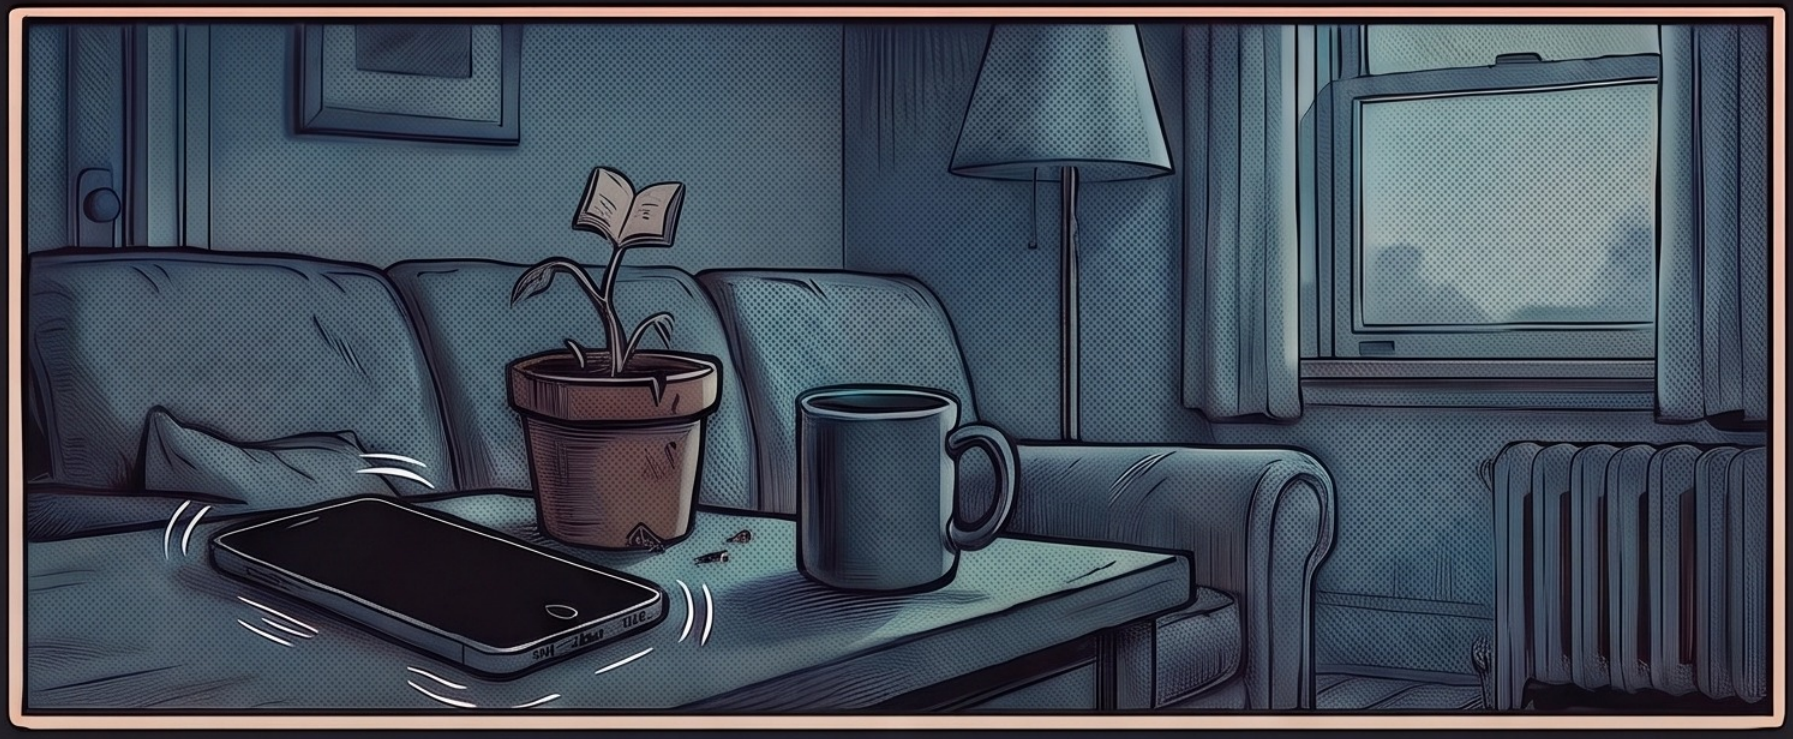
THE COSTUME

You Got the Alien Right Here

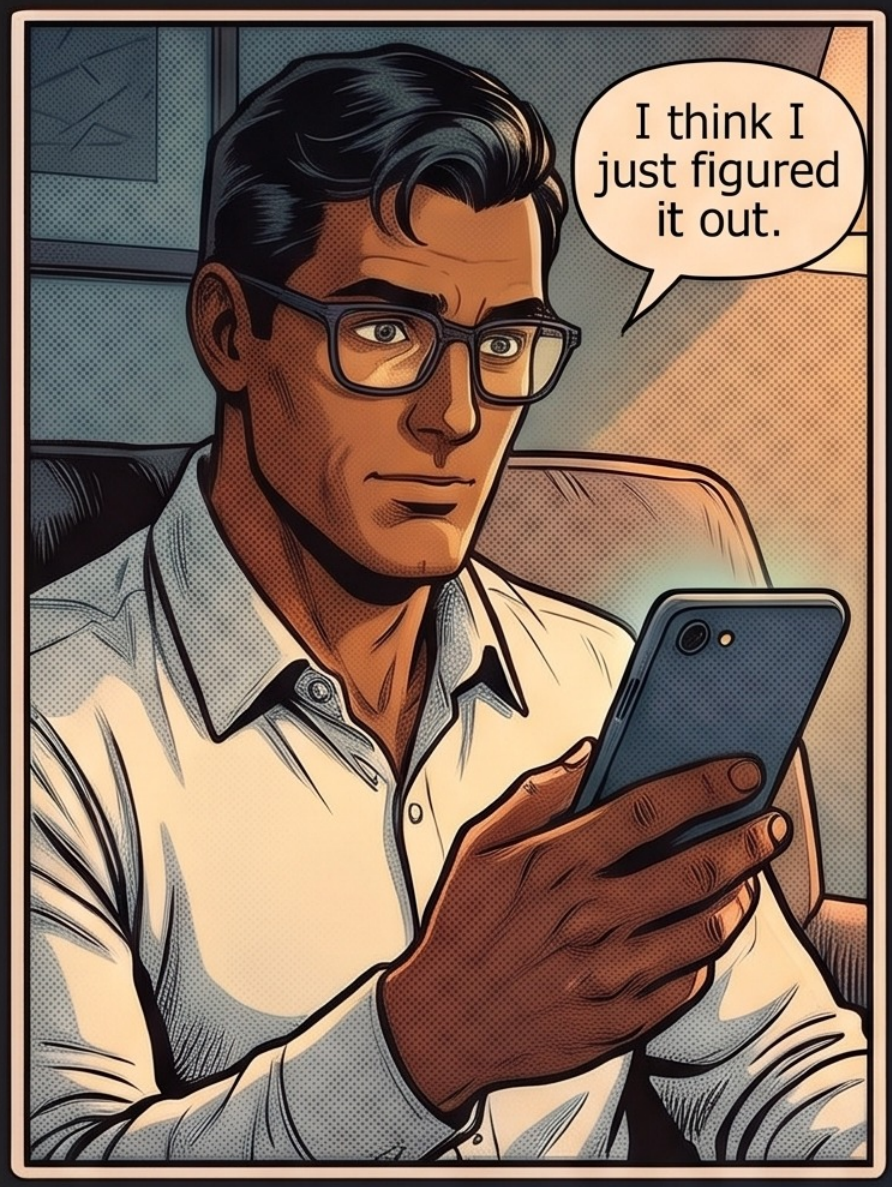


One friendship. One future. Too many messages.



Get this outta my face.

I believe in you.



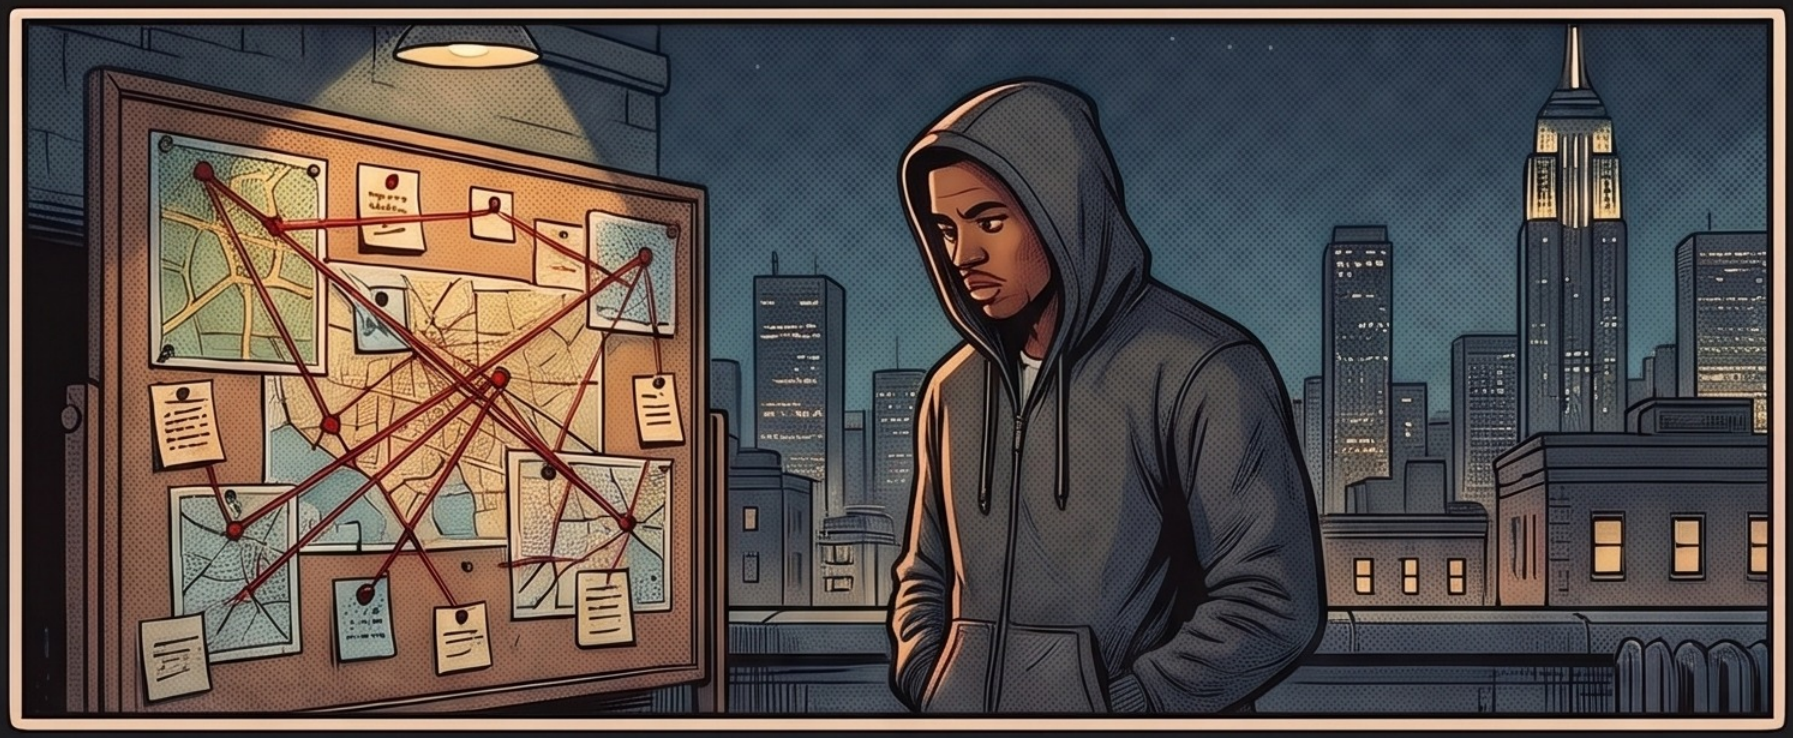
I think I just figured it out.

I been holding back.
The potential. Relax.

You be cosplaying a normal.

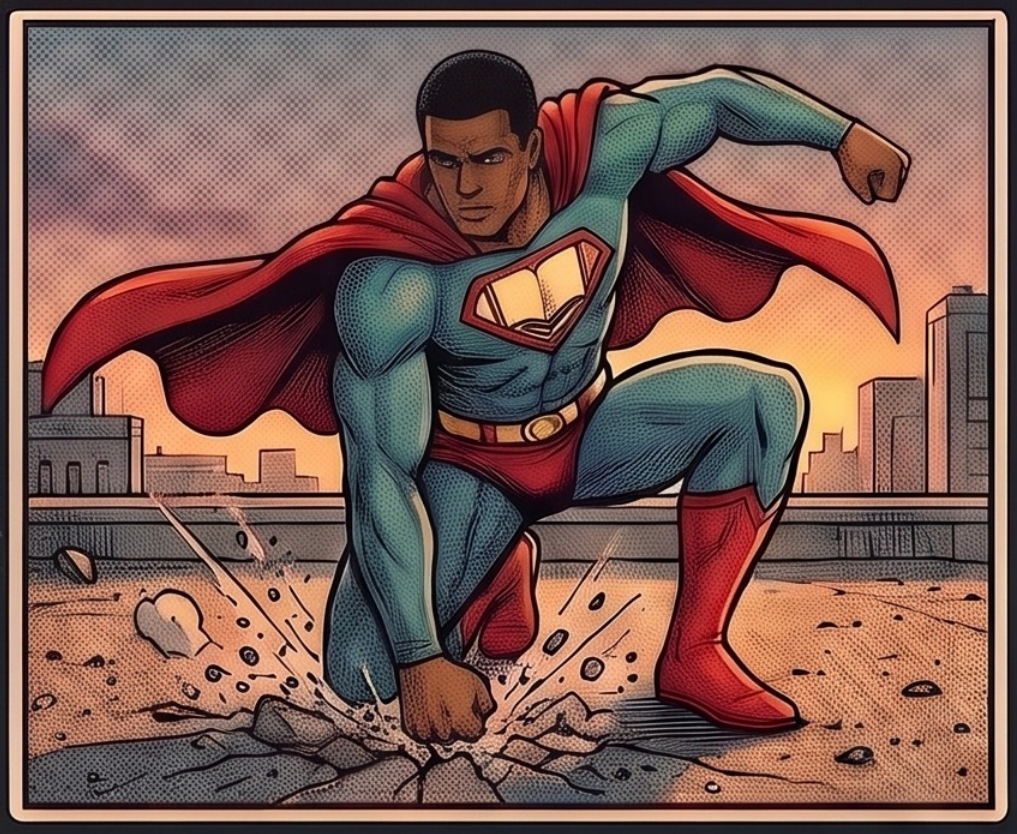
That's cringe as shit.

Born Superman. Clark's the costume.
All that under the shirt and you still scared to make a move.



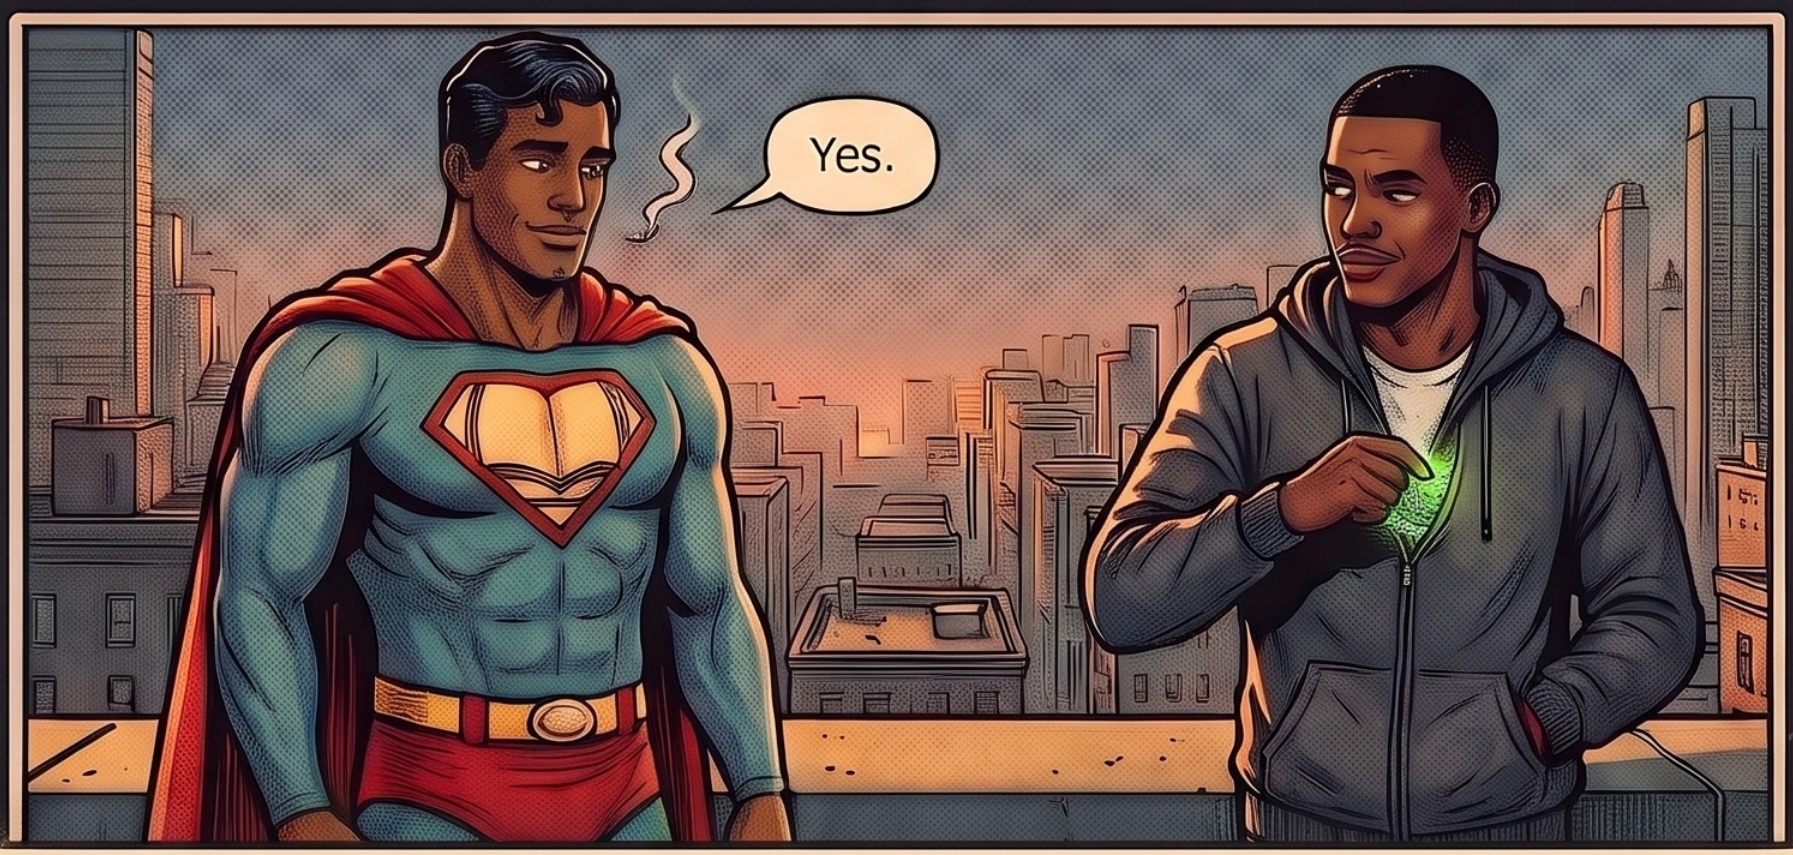
If I had half what you had...

...I'd have started.
5:26 AM

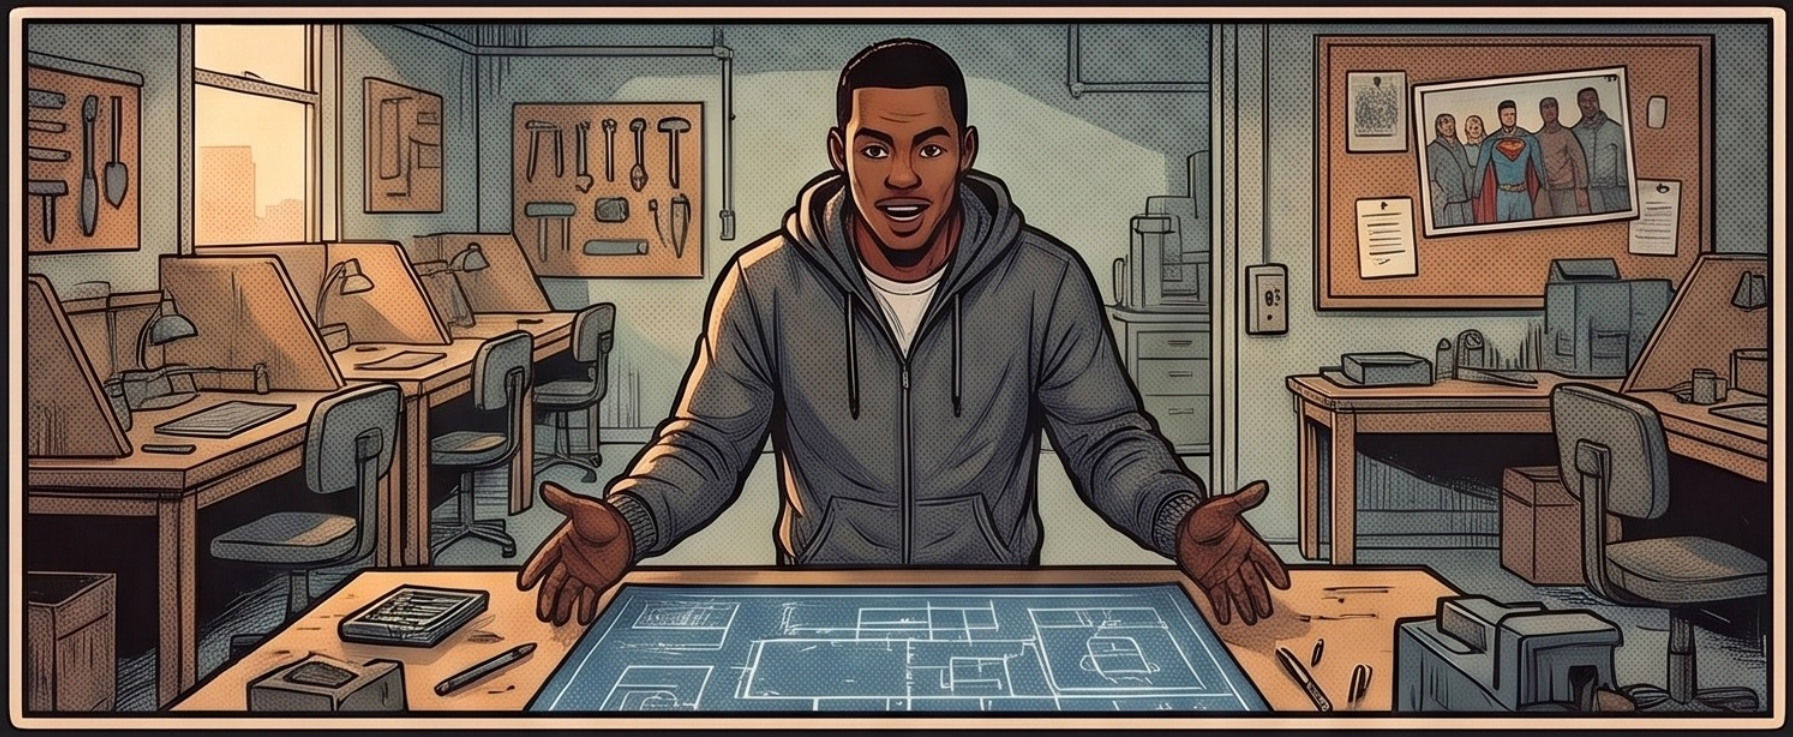


I got ONE weakness.

That green shit.
The chronic or the crystal?



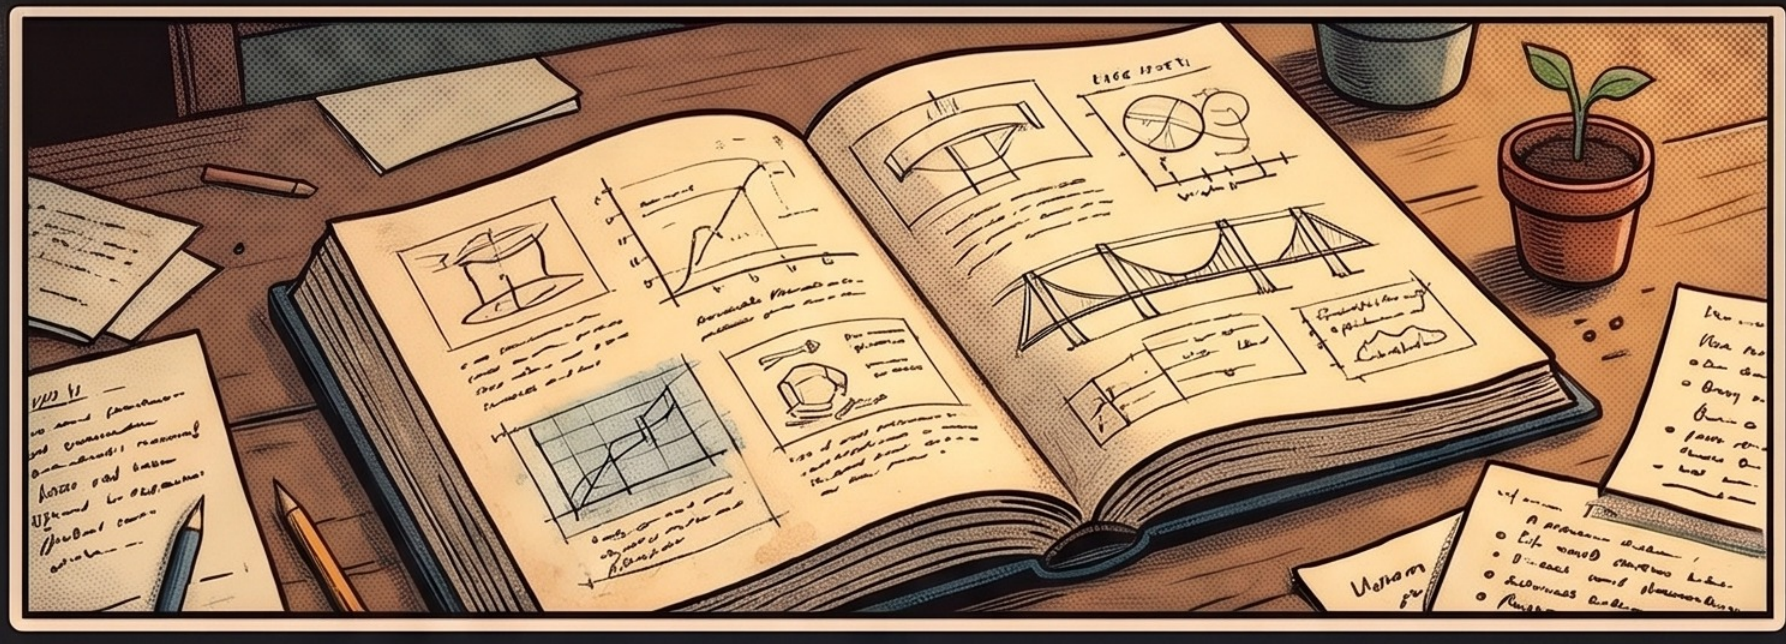
Yes.



Bro think he cool 'cause he assembled the whole team.

SUPE

But who’s on the cover?
Who paid for the printing?



You know this is our legacy.

So we planting something, or you just showing me your wood?

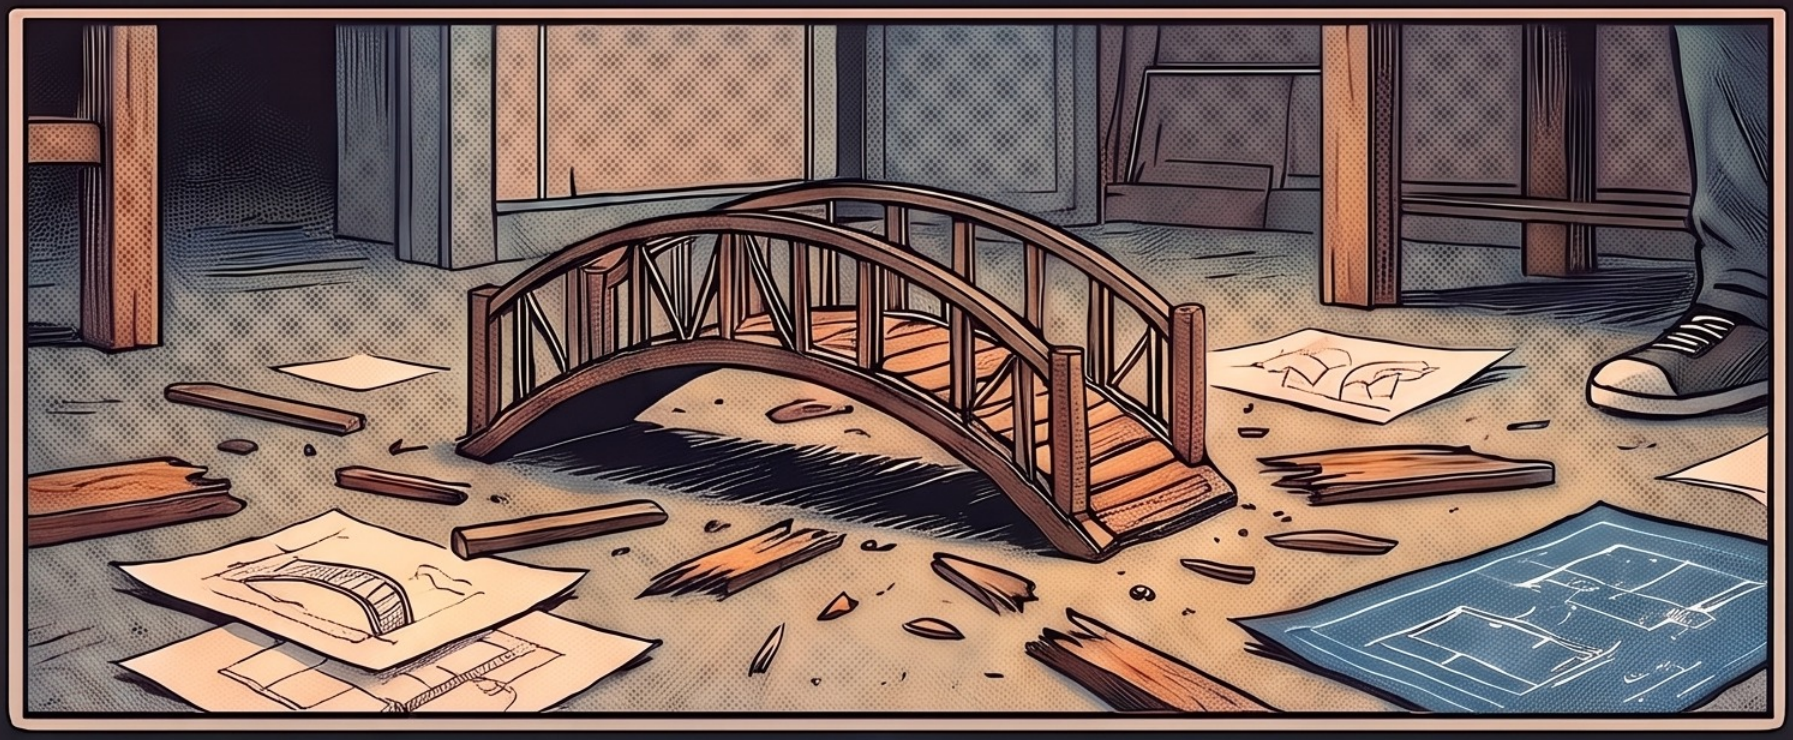
In his head...

What are the odds we get to live on Mars?

Started with a little wood and a lot of confidence.

Everybody on my back. It don't matter. I'm Superman.

I got it.
You said you could go all night.
Why you gotta say it like that?

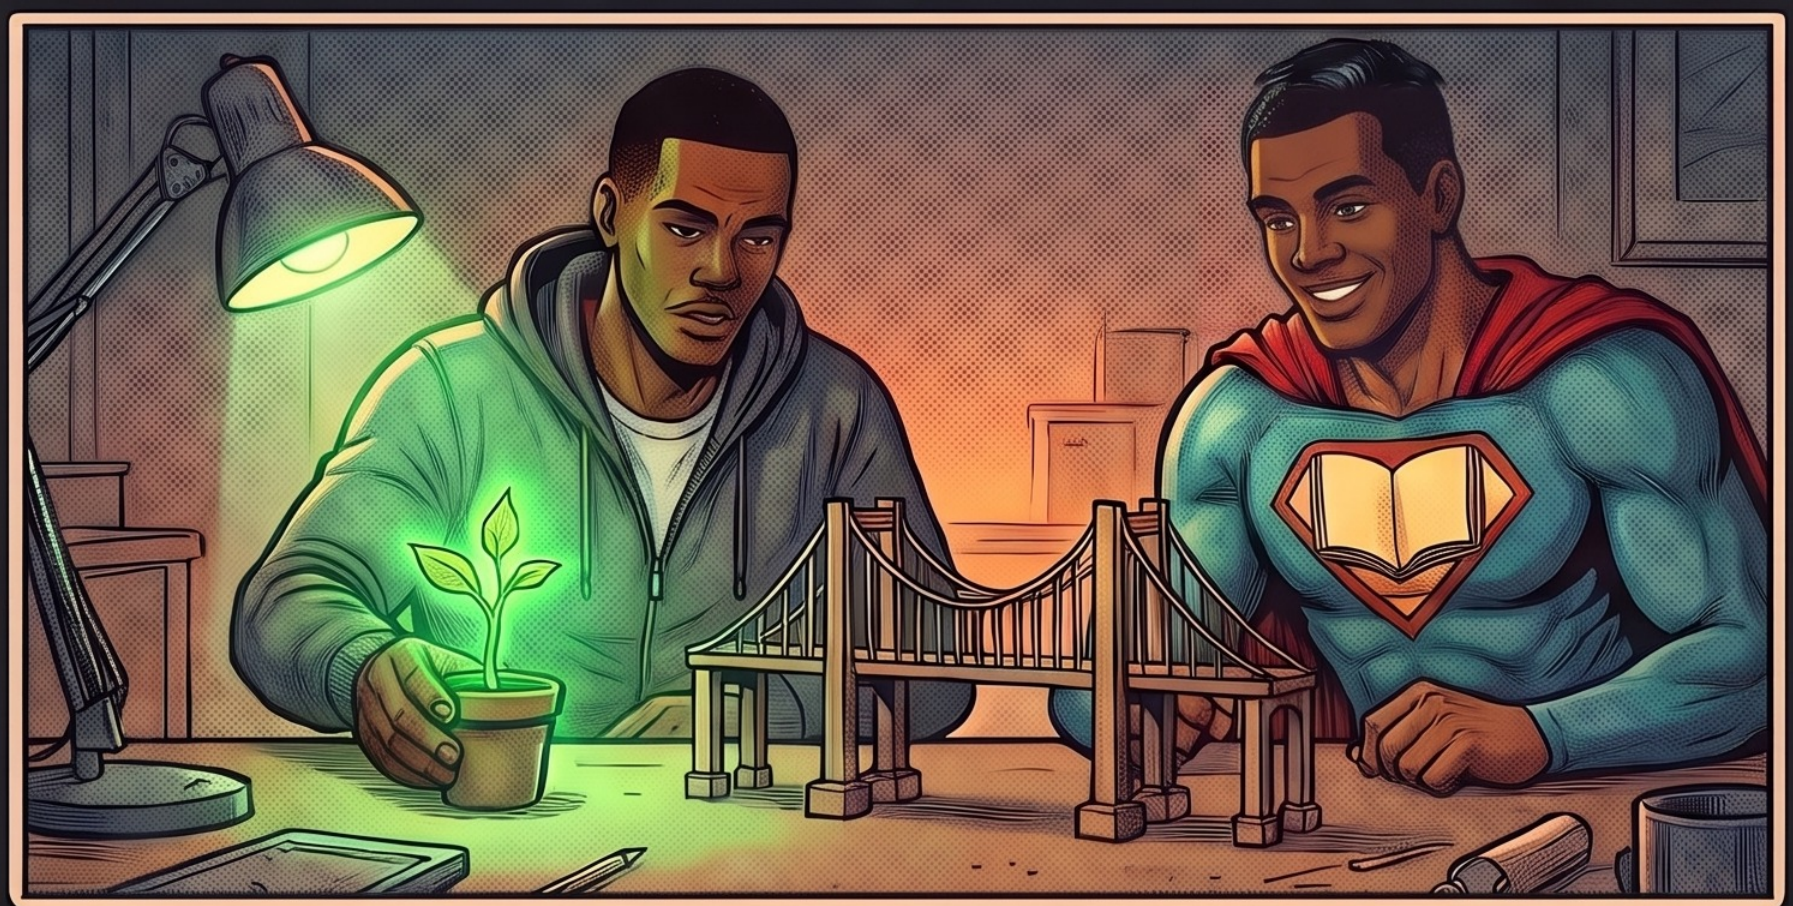


clack

I said stop playing small. I didn't say do it alone.

You had this the whole time?
You been texting the whole time.

Two hands on the job. Try not to make that weird.



THEY'RE ON THE MOON
NEWS REPICAITES

You looking for aliens on the moon...

...you got the alien right here.

Cool. The alien can finish this side.

Look at that. We actually finished together.

But who's on the cover?
Still my good side, though.
Finally got the credits right.

My bad for blowing your phone up.

I believe in you.

I believe in you too. Now let me sleep.
